

26' & 32' FB Trailer Range

Built with the quality in design and construction expected of all West machinery, these flat/bale trailers have been added to the range available from Harry West (Prees) Ltd. There are two models available in this new design, the FB26, which is 26' body length and the FB32 which is 32' body length. Each trailer has a load capacity of 14 tonnes.

The trailers are built using 250x150 box section chassis, giving a very strong and durable construction. This is then covered using checker plate, folded at the joints, and then welded along the seams. 8mm reinforcement plates are also used on all the suspension points. The headboard is 600mm deep and we have a 1500mm fixed drawbar, (sprung drawbars are available as an option). The units are fitted with parabolic springs and 420 x 180 brakes giving us a true commercial axle assembly.

All trailers are equipped with LED lights, including number plate board, front access ladder and strap box. Front and rear detachable rails are also supplied as standard. Various tyre options are available and also braking systems including our advanced Air, ABS and ESP system.

Trailer Specifications

Standard Features

- ❖ Strap Box
- ❖ LED Lights
- ❖ Number Plate Light
- ❖ Front Access Step
- ❖ Front & Rear Detachable Ladder

MODEL	FB26	FB32
Load Capacity	14 Tonne	14 Tonne
Width Front (Body)	2.540m	2.540m
Width Rear (Body)	2.540m	2.540m
Length (Body)	7.920m	9.749m
Height (Super Singles)		
Trailer Deck	1.270m	1.270m
Headboard	1.890m	1.890m
Height (445/45 tyres)		
Trailer Deck	1.132m	1.132m
Headboard	1.752m	1.752m
Overall Length	9.653m	11.482m
Axle Wheel Track	1.90m	1.90m
Axle Beam Size	127mm	127mm
Brakes	420mm Dia x 180mm	420mm Dia x 180mm
Type of Chassis	250 x 150 x 8 Box	250 x 150 x 8 Box
Floor Size	4.5mm	4.5mm
Side Size	5mm	5mm
Type of Axle	10 Stud	10 Stud
Sprung Drawbar	Optional	Optional

Optional Equipment

- ❖ 445x45 R19.5 Tyres
- ❖ 560x45 R22.5 Tyres
- ❖ Sprung Drawbar
- ❖ Hydraulic Load Sensing Valve
- ❖ Air Braking c/w Load Sensing
- ❖ Air Braking c/w Load Sensing, ABS & ESP
- ❖ Air Suspension (requires ESP System)
- ❖ Hydraulic Breakaway System
- ❖ Colour Option
